PRESENT: Hon. Daniel C. Scripps, Chair

Hon. Katherine L. Peretick, Commissioner

ORDER

The following parties have filed joint applications for approval of interconnection agreements
or amendments to an interconnection agreement:

Case No. U-15585	AT&T Michigan and Access One, Inc. Application filed January 30, 2023, for approval of a fifth amendment to the interconnection agreement (adds terms and conditions to modify DS1 and DS3 transport rates).
Case No. U-17119	AT&T Michigan and TelNet Worldwide, Inc. Application filed January 30, 2023, for approval of a tenth amendment to the interconnection agreement (adds terms and conditions to modify DS1 and DS3 transport rates).
Case No. U-18135	AT&T Michigan and GC Pivotal, LLC Application filed December 29, 2022, and amended application filed January 30, 2023, for approval of a second amendment and a third amendment to the interconnection agreement (adds terms and conditions to modify DS1 and DS3 transport rates).
Case No. U-21350	Lennon Telephone Company and Teleport Communications America, LLC Application filed December 21, 2022, and letter filed January 31, 2023, for approval of an interconnection agreement.

47 USC 252(e)(2) and (3) provides in part:

- (2) The State commission may only reject
 - (A) an agreement (or any portion thereof) adopted by negotiation under subsection (a) of this section if it finds that--
 - (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
 - (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity; . . .
- (3) Notwithstanding paragraph (2), but subject to section 253 of this title, nothing in this section shall prohibit a State commission from establishing or enforcing other requirements of State law in its review of an agreement, including requiring compliance with intrastate telecommunications service quality standards or requirements.

After reviewing the applications, the Commission finds that they should be approved. The Commission finds that the agreements and amendments are consistent with federal and state law and are in the public interest. Under 47 USC 252(i) and MCL 484.2359(2), the services provided under the agreements shall be made available to other telecommunications carriers upon the same terms and conditions.

THEREFORE, IT IS ORDERED that:

- A. The interconnection agreements and amendments listed above are approved.
- B. Approval of the interconnection agreements and amendments does not alter the duty of the parties to comply with relevant federal and state law and past and future Commission orders and rules.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party aggrieved by this order may file an action in the appropriate federal District Court under 47 USC 252(e)(6). To comply with the requirement to notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel. Electronic notifications should be sent to the Executive Secretary at mpscdockets@michigan.gov and to the Michigan Department of Attorney General - Public Service Division at pungpl@michigan.gov. In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.
