At the March 1, 2024 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. Daniel C. Scripps, Chair
Hon. Katherine L. Peretick, Commissioner
Hon. Alessandra R. Carreon, Commissioner

ORDER

On July 7, 2023, the Commission issued an order in Case No. U-12270 (July 7 order) directing the Commission Staff to collaborate with electric utilities and cooperatives to develop a dedicated form to be used in annual report filings pursuant to the Service Quality and Reliability Standards for Electric Distribution Systems, Mich Admin Code, R 460.731 (Rule 31). Specifically, the Commission stated that it “expect[ed] reliability indices and power quality information to be part

of the new Rule 31 reports.” July 7 order, p. 1. On December 4, 2023, the Staff filed the final report form in Case No. U-12270.

On December 21, 2023, the Commission issued an order in Case No. U-12270 docket approving the final report form. The Commission found that the final report form shall replace the current reporting formats and is to be exclusively used by electric utilities and cooperatives to submit their 2023 annual Rule 31 reports in 2024.

Previously, the Commission issued an order on September 15, 2009 (September 15 order) opening dockets in Case Nos. U-16065 and U-16066 and directing DTE Electric Company (f/k/a The Detroit Edison Company) (DTE Electric) and Consumers Energy Company (Consumers), respectively, to provide information related to reliability indices known as the system average interruption frequency index, customer average interruption duration index , and system average interruption duration index, with and without major events, on a rolling five-year average basis. The September 15 order also required DTE Electric and Consumers to file an annual power quality report containing data on all primary customer quality investigations conducted over the past year and include the outcome of each investigation.

The Commission finds that the reporting form approved in Case No. U-12270 along with the associated increased Rule 31 filing requirements for electric utilities, including both DTE Electric and Consumers Energy, replace and therefore render the filing requirements in Case Nos U-16065 and U-16066 no longer necessary. Therefore, the Commission finds that the dockets in U-16065 and U-16066 should be closed.

THEREFORE, IT IS ORDERED that the dockets in Case Nos. U-16065 and U-16066 are closed.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so in the appropriate court within 30 days after issuance and notice of this order, pursuant to MCL 462.26. To comply with the Michigan Rules of Court's requirement to notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel.

Electronic notifications should be sent to the Executive Secretary at mpscedockets@michigan.gov and to the Michigan Department of Attorney General - Public Service Division at pungpl@michigan.gov. In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.
