Re: Notification of Material Change

To Whom It May Concern:

Energy Harbor LLC (“Energy Harbor”), which received its license to operate as an alternative electricity supplier in Michigan, respectfully submits this notice to the Michigan Public Service Commission (“Commission”). On March 1, 2024 Vistra Corp (“Vistra”) announced that it had completed the acquisition of Energy Harbor Corp., Energy Harbor’s ultimate parent, which resulted in changes to Energy Harbor that require notification to the Commission. Customers will continue to be served under the Energy Harbor name and contact information. Please find the changes detailed in the attached documents.

If you have any questions regarding these changes, please do not hesitate to contact Dorian Moore, Regulatory Reporting Manager, by phone at 214-812-2134 or by email at Dorian.Moore@VistraCorp.com; RCF@VistraCorp.com.

Sincerely,

Dorian M Moore

Attachment C: Managerial and Technical Experience

Managerial Leadership
Margaret Pirtle Director, Customer Advocacy Services Years of Experience: 2007 – Present Margaret Pirtle is the Director of Customer Advocacy Services for Vistra Energy Corp. (Vistra). Margaret joined Vistra’s predecessor (TXU Corp.) in April 2007 and has over 15 years of experience in the competitive electricity industry. When she joined the company, Margaret was responsible for establishing the operations policy and procedures team, which implemented and ensured compliance with operational policies. In her current role, she is responsible for driving improved customer experiences by managing all lines of customer escalations including those to the state commissions, Attorney General’s office, and the Better Business Bureau. She also oversees the Energy Assistance program that provides financial support to customers in need. Additionally, Margaret is responsible for managing the relationships with the Transmission and Distribution Utilities, ERCOT, and the state commissions to ensure operational readiness. Margaret has a bachelor’s degree in business administration from Texas Tech University Rawls College of Business.
John Duessel Senior Vice President, Chief Customer Officer Years of Experience: 2000 – Present John Duessel is a Vice President and the Chief Customer Officer for Vistra and has over 20 years of experience in the competitive electricity industry. John joined Vistra’s predecessor (Energy Future Holdings Corp. (EFH)) in April 2010 and has been the Chief Customer Officer for Vistra since October 2016. In his current role, John leads the customer experience services organizations that are responsible for delivering exceptional experiences to customers for Vistra’s retail subsidiaries. Prior to his role as the Chief Customer Officer, John was a Senior Director and then a Vice President of the revenue operations division, and, in those roles, he led teams dedicated to delivering seamless customer experiences across all core revenue cycle management functions. John began at the company as a Director in the credit, collections, and bad debt management department, where he was responsible for credit assessment / credit management and collections functions across all lines of the business. John received a master’s in business administration in finance degree from Southern Methodist University Cox School of Business and has a juris doctor degree from Columbus School of Law.
Jeff Ellis Director, Customer Operations & Support Services Years of Experience: 1999 – Present

6555 Sierra Drive
Irving, TX 75039

Jeff Ellis is the Director of Customer Operations & Support Services at Vistra and has over 20 years of experience in the competitive electricity industry. In his current role with Vistra, Jeff oversees contact center operations, including customer experience execution as well as contact center support functions such as process optimization, learning and development, quality insights, and compliance. Jeff began his career with Vistra's predecessor (TXU Corp.) in 1999, supporting customer system enhancements that prepared TXU Corp. to transition into the Texas competitive retail electric market. Jeff subsequently worked for a consulting firm that managed customer operations for several other Texas retail electric providers, before returning to Vistra's predecessor (then EFH) in 2009.

Jeff has a bachelor's degree in management information systems and business management from University of Oklahoma Price College of Business.

Technical Leadership - Electric

David Warner

Vice President, Load Portfolio Management

Years of Experience: 2004 – Present

David Warner is the Vice President, Load Portfolio Management with 20 years of energy market leadership experience in load management, pricing, risk management and hedging, and regulated and deregulated market design. In his current role, David leads Vistra's load portfolio across ERCOT, PJM, MISO, NYISO, and ISO-NE.

David has bachelor's degrees in mathematics and English from Texas Tech University.

Mark Veit

Senior Director, Commercial Analytics & Asset Optimization

Years of Experience: 2001 – Present

Mark Veit is the Senior Director, Commercial Analytics & Asset Optimization and has over 20 years of experience in the competitive electricity industry having worked at Vistra's predecessor (Dynergy) in the areas of application development, data architecture, retail analytics, commercial asset management, risk analysis, and asset optimization.

Technical Leadership - Natural Gas

Eric Wurzbach

Vice President, Natural Gas

Years of Experience: 2001 – Present

Eric Wurzbach is the Vice President of Natural Gas at Vistra and has over 20 years of experience in the natural gas industry having worked in the areas risk analysis, gas scheduling, and gas trading.

Eric has a B.B.A., Economics, International Business, and Business from Baylor University – Hankamer School of Business, and an MBA from University of Houston, C.T. Bauer College of Business, Certificates of Energy Risk Management, Energy Investment Analysis, and Energy Accounting & Finance.
