Case No. U-21534

RULING GRANTING LATE INTERVENTION TO ELECTRIFY AMERICA

On May 7, 2024, Electrify America filed a petition seeking intervention in this docket. The petition indicates that Electrify America accepts the current schedule and the record as it stands. DTE Electric, through counsel, indicates that it does not object to the intervention, and the other parties to Case No. U-21534, when given an opportunity to object, did not do so. Because no objections have been raised, intervention is granted to Electrify America.
