Thank you, Your Honor—and just for clarity, it is Part 2 of Volume 6 of the transcript.

Can we ask EBS to remove the current 4 tr and replace it with a corrected transcript? (I added the exec sec to this response).

Lori—I just realized that I made a mistake when I sent you the Public Redacted version of Dr. Laura Sherman’s direct testimony in Case No. U-21534. The version that I had labelled Public Redacted was not in fact properly redacted, and so it was inadvertently included in the public transcript. The affected pages are 6 Tr 4065 and 4066.

Judge Wallace and Jon, please advise regarding remedies. The attached is the properly redacted testimony that should replace Dr. Sherman’s Direct Testimony included within Part 2 of Volume 6 of the transcript.

Thanks,

Justin
