Michigan Public Service Commission

Attn: Stephanie Haney

RE: Capacity Demonstration-Case No. U-21775

Dear Stephanie,

Please be advised that Nordic Energy Services, LLC is not actively serving electric customers in Michigan and therefore are exempt from demonstrating that we own or have contracted resources sufficient to serve the needs of our customers four years forward.

Please feel free to contact me if you have questions or require additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Anthony Roback".
