GG's Gifts & Boutique sets grand opening for June 1

IRONWOOD, MI — GG's Gifts & Boutique has announced its grand opening celebration on June 1 from 10 a.m. to 6 p.m. in Ironwood.

Meanwhile, the store will be open throughout May, on weekends, from 10 a.m. to 6 p.m.

"Just look for the glowing 'Yes, We're Open' neon sign, festive flags and storefront signage on the north side of U.S. 2 — and swing on in," said store manager Grace Huotari.

GG's Gifts & Boutique is the passion project of Huotari, a 19-year-old Ironwood native who said her

love for creativity, style and community inspired her to bring "a new shopping experience to the area." After months of planning, building and dreaming big, Huotari said she is excited to open her doors and welcome the community into a space filled with handpicked treasures for every occasion.

Huotari said GG's aims to offer a fresh, welcoming shopping experience that's all about celebrating life's little moments.

"Every item has been carefully selected to bring joy — whether you're shopping for yourself or picking

out the perfect gift," she said.

In relation to the grand opening, Huotari said that the first 40 purchasers at the store will receive a special giveaway.

The grand opening celebration also will include product giveaways and on-site treats from Late Run Coffee and Moos Dough Company.

GG's Gifts & Boutique is located at 652 E. Cloverland Drive, Suite 2 in Ironwood, near Walgreens.

For more information, see ggsgifts.shop or contact Huotari at 906-466-4575.

Girl Scout cookie sales extended

GOGEBIC RANGE — The Girl Scout cookie season for the Northwestern Great Lakes has been extended this year through Sunday.

"Despite a strong showing of booths and participation this year, overall cookie sales fell short due to unpredictable weather, economic uncertainty, necessary pricing adjustments, and other factors," said Missy Brozek, chief advancement officer for the Northwestern group.

"Extending the season allows troops to continue earning proceeds that directly support their programs, travel and service projects, while providing the community with more opportunities to stock up on their favorite treats."

Persons wishing to support the Girl Scouts may do so by buying cookies online or by using the Cookie Finder to find a sales booth in the region.

People also are encouraged to donate cookies

through the Cookie Share Program, providing treats to active military, veterans, first responders, food pantries and shelters, or any other choice.

Businesses and community partners also are encouraged to place bulk orders of cookies as appreciation gifts for staff, customers or event attendees.

For more information, visit girlscoutcookies.org or contact Girl Scouts of the Northwestern Great Lakes at info@gsnwg.org.

Big Brothers Big Sisters of the Western UP receives 2024 America Platinum Award

HOUGHTON — Big Brothers Big Sisters of the Western Upper Peninsula has been recognized as a platinum award winner of the Big Brothers Big Sisters of America for program excellence in 2024.

Every year, the BBBSA Nationwide Leadership Council, made up of local agency leaders and board members, selects agencies for excellence in the organization's signature one-to-one youth mentoring program.

Out of more than 230 agencies across the coun-

try, Big Brothers Big Sisters of the Western Upper Peninsula is one of only 17 organizations to receive this top honor.

This award recognizes the top agencies that meet requirements for both the growth and impact awards — meaning that they have shown excellence in retaining the number of mentors ("Bigs") and youth ("Littles") matched through the program consistently from year to year and have shown substantial growth in their local programs.

In the past year, the

western U.P. agency has served 244 children and 173 high school students through mentoring relationships, with a 72% growth in local services over the past two years.

"We have a small but fiercely mighty team," said Maggie Munch, executive director of BBBS WUP. "Our BBBS WUP programs operate with a four-person staff, which is one of the smallest in the entire nation. Our team's tireless efforts, dedication and commitment to our mission are powerful."
