Case No. U-22017

At the January 15, 2026 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. Daniel C. Scripps, Chair
Hon. Katherine L. Peretick, Commissioner
Hon. Shaquila Myers, Commissioner

ORDER

Public Act 295 of 2008 (Act 295), as amended, requires all providers of electric and gas
service in this state to establish energy waste reduction (EWR) programs by filing EWR plans with

the Commission. MCL 460.1071. EWR plans filed by rate-regulated providers are subject to Commission approval and enforcement. MCL 460.1073. EWR plans are required from investor-owned utilities (IOUs) and rate-regulated cooperatives (RRCs). MCL 460.1097(1) provides that, “[b]y a time determined by the commission, each provider shall submit to the commission an annual report that provides information relating to the actions taken by the provider to comply with the energy waste reduction standards.”

Act 295, as amended, requires the Commission to commence annual EWR plan reconciliation proceedings for rate-regulated providers, IOUs, and RRCs, which the Commission has determined should be simultaneous with the filing of annual reports. Annual EWR reconciliations will provide expenditures to implement the EWR program in accordance with the approved plan. All costs must be in accordance with the Act and be reasonable and prudent. The Commission finds that the annual reports shall include annual megawatt reductions and annual estimated carbon reductions resulting from EWR programs. *See*, MCL 460.1097(2)(c); *see also*, March 17, 2022 order in Case Nos. U-21204 *et al.*

All of the above-captioned electric providers have approved EWR plans. Exhibit A to this order provides the docket numbers and filing deadlines for annual reports and reconciliations. In the event a filing deadline falls on a weekend or a state legal holiday, the Commission directs any affected utility to file its EWR plan reconciliation, where applicable, and annual report on the following business day.

THEREFORE, IT IS ORDERED that each utility listed in the caption of this order is directed to file its energy waste reduction plan reconciliation, where applicable, and annual report in the docket number, and by the deadline, listed on Exhibit A.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so in the appropriate court within 30 days after issuance and notice of this order, pursuant to MCL 462.26. To comply with the Michigan Rules of Court's requirement to notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel.

Electronic notifications should be sent to the Executive Secretary at LARA-MPSC-Edockets@michigan.gov and to the Michigan Department of Attorney General - Public Service Division at SheaC1@michigan.gov. In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.
