RE: In the matter, on the Commissions own motion, to receive eligible telecommunications carrier filings for 2025. MPSC Case No. U-22000.

To Whom It May Concern:

Please accept this filing as a letter of notification explaining the reason LakeNet LLC will not file a Form 555.

Since LakeNet is designated as an ETC only for High-Cost purposes, they are not required to submit a Form 555. However, pursuant to LakeNet's application to become an ETC, the Commission's Order (U-20965), as well as the Michigan Telecommunications Act, LakeNet does offer and will provide Lifeline service to any qualifying customer in its designated area. With LakeNet being designated only as a High Cost ETC and not a lifeline ETC, this means that LakeNet will not be seeking reimbursement from USAC for federal support of lifeline.

Sincerely,

Christopher Fabien
Member, LakeNet LLC
