February 27, 2026

Ms. Lisa Felice
Executive Secretary
Michigan Public Service Commission
PO Box 30221
Lansing, MI 48909-7721

Re: **Consolidated Cases U-21471/U-21472**
In the matter of the application of MICHIGAN ELECTRIC TRANSMISSION COMPANY, LLC for an Act 30 certificate of public convenience and necessity for the construction of a major transmission line between Oneida Substation in Eaton County and Nelson Road Substation in Gratiot County, Michigan AND the Indiana/Michigan state border at Gilead Township in Branch County and the new Helix Substation in Calhoun County, Michigan.

Dear Ms. Felice:

Enclosed for electronic filing in the above-referenced consolidated cases are **Michigan Electric Transmission Company, LLC's Monthly Compliance Report with Proof of Service** of same.

If you have any questions, please contact me.

Sincerely,

Dykema Gossett PLLC

Richard J. Aaron

Case No. U-21472

**MICHIGAN ELECTRIC TRANSMISSION COMPANY, LLC'S
MONTHLY COMPLIANCE REPORT**

On July 10, 2025, the Michigan Public Service Commission ("Commission") issued an order approving certificates of public convenience and necessity for the construction of major transmission lines in the above-captioned cases with certain conditions ("Order"). In compliance with the Commission's Order, and as described below, METC provides this monthly report ("Report") for the month of January 2026.

I. MINOR MODIFICATIONS

In this reporting period, METC has new minor modification requests from 6 landowners to report for the month of January 2026. Information regarding these requests are provided in **Attachment A**.

II. LANDOWNER COMMUNICATIONS

METC has 12 landowner communications to report for the month of January 2026.

Information regarding these communications are provided in **Attachment B**.

This Report, as filed, complies with the Commission's Order. If you have any questions regarding this Report, please contact METC at:

Minor Modification Request			
Project:	<input type="checkbox"/> Helix to Hiple <input checked="" type="checkbox"/> Nelson Road to Oneida		
Contact Info:	<i>Requester's Name:</i>	Nick and Jody Babcock	
Property Info:	<i>Owner Name:</i>	Babcock Nicholas J & Jody L	
	<i>Tax ID:</i>	070-003-300-015-00	
	<i>Project ID:</i>	METC-0561-00350	
	<i>Address:</i>	12702 West Howe Rd, Eagle, MI 48822	
Date request received:	August 25, 2025		
Is the minor modification:	Within 250 ft of the centerline of the Commission-approved route?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Impact yet to be determined	
	On the land of a landowner that received proper notice under Act 30?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Impact yet to be determined	
Request:	Mr. Babcock would like the line adjusted approximately 15 feet to the west, so the easement area is not on his property. It is a residential property, and Mr. Babcock would like the easement not to be on his property.		
Disposition of request:*	<input type="checkbox"/> Accommodation anticipated <input type="checkbox"/> Accommodation anticipated with adjustments <input type="checkbox"/> Unable to accommodate	Resolution Status:	<input type="checkbox"/> Resolved <input checked="" type="checkbox"/> Ongoing <input type="checkbox"/> Withdrawn
	Review of this minor modification request is ongoing, including review of potential structure locations, survey, and impacts to other landowners.		

* Until the final design of the Project is complete, all accommodations are considered preliminary.

Minor Modification Request			
Project:	<input type="checkbox"/> Helix to Hiple <input checked="" type="checkbox"/> Nelson Road to Oneida		
Contact Info:	<i>Requester's Name:</i>	Neil Huhn	
Property Info:	<i>Owner Name:</i>	Huhn Neil C & Gloria F Trust	
	<i>Tax ID:</i>	070-015-300-010-00	
	<i>Project ID:</i>	METC-0561-00358	
	<i>Address:</i>	13751 S. Hinman Road, Eagle, MI 48822	
Date request received:	August 30, 2025		
Is the minor modification:	Within 250 ft of the centerline of the Commission-approved route?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Impact yet to be determined	
	On the land of a landowner that received proper notice under Act 30?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Impact yet to be determined	
Request:	Mr. Huhn requests pole move to furthest possible distance to the east within the Commission-approved area for minor modifications. Mr. Huhn has concerns regarding EMF and requested the line be moved as far from his home as possible.		
Disposition of request:*	<input type="checkbox"/> Accommodation anticipated <input type="checkbox"/> Accommodation anticipated with adjustments <input type="checkbox"/> Unable to accommodate	Resolution Status:	<input type="checkbox"/> Resolved <input checked="" type="checkbox"/> Ongoing <input type="checkbox"/> Withdrawn
	Reasoning in support: Review of this minor modification request is ongoing, including review of potential structure locations, survey, and impacts to other landowners.		

* Until the final design of the Project is complete, all accommodations are considered preliminary.

Minor Modification Request

Contact Info:	<i>Requester's Name:</i>	Mary Kowatch	
Property Info:	<i>Owner Name:</i>	Kowatch John & Mary Lee Trust	
	<i>Tax ID:</i>	040-005-300-005-51	
	<i>Project ID:</i>	METC-0561-00286	
	<i>Address:</i>	14716 West Walker Road, Pewamo, MI 48873	
Date request received:	September 2, 2025		
Is the minor modification:	Within 250 ft of the centerline of the Commission-approved route?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Impact yet to be determined	
	On the land of a landowner that received proper notice under Act 30?	<input type="checkbox"/> Yes <input type="checkbox"/> No <input checked="" type="checkbox"/> Impact yet to be determined	
Request:	Ms. Kowatch requested the centerline move 150 feet to the east to move away from the property line and to make room for new residential construction.		
Disposition of request:*	<input type="checkbox"/> Accommodation anticipated <input type="checkbox"/> Accommodation anticipated with adjustments <input type="checkbox"/> Unable to accommodate	Resolution Status:	<input type="checkbox"/> Resolved <input checked="" type="checkbox"/> Ongoing <input type="checkbox"/> Withdrawn
Reasoning in support:	Review of this minor modification request is ongoing, including review of potential structure locations, survey, and impacts to other landowners.		

* Until the final design of the Project is complete, all accommodations are considered preliminary.

Minor Modification Request			
Project:	<input checked="" type="checkbox"/> Helix to Hiple <input type="checkbox"/> Nelson Road to Oneida		
Contact Info:	<i>Requester's Name:</i>	Bob Hemker	
Property Info:	<i>Owner Name:</i>	Hemker Enterprises LLC	
	<i>Tax ID:</i>	020-025-400-020-00	
	<i>Project ID:</i>	METC-0560-00217	
	<i>Address:</i>	Hodunk Rd, Union City, MI, 49094	
Date request received:	September 5, 2025		
Is the minor modification:	Within 250 ft of the centerline of the Commission-approved route?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Impact yet to be determined	
	On the land of a landowner that received proper notice under Act 30?	<input type="checkbox"/> Yes <input type="checkbox"/> No <input checked="" type="checkbox"/> Impact yet to be determined	
Request:	Mr. Hemker requests that the pole move as close to the road as possible to minimize impact on farming on the property and irrigation.		
Disposition of request:*	<input type="checkbox"/> Accommodation anticipated	Resolution Status:	<input type="checkbox"/> Resolved
	<input type="checkbox"/> Accommodation anticipated with adjustments		<input checked="" type="checkbox"/> Ongoing
<input type="checkbox"/> Unable to accommodate	<input type="checkbox"/> Withdrawn		
Reasoning in support:	Review of this minor modification request is ongoing, including review of potential structure locations, survey, and impacts to other landowners.		

* Until the final design of the Project is complete, all accommodations are considered preliminary.

Minor Modification Request			
Project:	<input checked="" type="checkbox"/> Helix to Hiple <input type="checkbox"/> Nelson Road to Oneida		
Contact Info:	<i>Requester's Name:</i>	Bob Swift	
Property Info:	<i>Owner Name:</i>	Swift Land Holdings LLC	
	<i>Tax ID:</i>	060-027-100-005-03	
	<i>Project ID:</i>	METC-0560-00291	
	<i>Address:</i>	Lindley Rd, Coldwater, MI 49036	
Date request received:	September 8, 2025		
Is the minor modification:	Within 250 ft of the centerline of the Commission-approved route?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Impact yet to be determined	
	On the land of a landowner that received proper notice under Act 30?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Impact yet to be determined	
Request:	Mr. Swift has requested a modification of the pole locations to work with new pivot irrigation design.		
Disposition of request:*	<input checked="" type="checkbox"/> Accommodation anticipated <input type="checkbox"/> Accommodation anticipated with adjustments <input type="checkbox"/> Unable to accommodate	Resolution Status:	<input checked="" type="checkbox"/> Resolved <input type="checkbox"/> Ongoing <input type="checkbox"/> Withdrawn
Reasoning in support:	Minor modification is both within 250 ft of the centerline of the Commission-approved route and on the land of a landowner that received proper notice under Act 30. The project design is presently able to accommodate pole placement in locations consistent with landowner's modified pivot irrigation system.		

* Until the final design of the Project is complete, all accommodations are considered preliminary.

	<i>Tax ID:</i>	07-024-006-01	
	<i>Project ID:</i>	METC-0560-00097	
	<i>Address:</i>	18158 M 60, Tekonsha, MI 49245	
Date request received:	November 26, 2025		
Is the minor modification:	Within 250 ft of the centerline of the Commission-approved route?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Impact yet to be determined	
	On the land of a landowner that received proper notice under Act 30?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Impact yet to be determined	
Request:	Landowner requests that their tree line is preserved for privacy. Landowner asks for trees not to be removed or for easement area to be moved entirely off their property.		
Disposition of request:*	<input checked="" type="checkbox"/> Accommodation anticipated <input type="checkbox"/> Accommodation anticipated with adjustments <input type="checkbox"/> Unable to accommodate	Resolution Status:	<input checked="" type="checkbox"/> Resolved <input type="checkbox"/> Ongoing <input type="checkbox"/> Withdrawn
Reasoning in support:	Minor modification is both within 250 ft of the centerline of the Commission-approved route and on the land of a landowner that received proper notice under Act 30. The project design is presently able to accommodate shifting the centerline and easement area entirely off the landowner's property and into the agricultural field to the east.		

* Until the final design of the Project is complete, all accommodations are considered preliminary.

ATTACHMENT B

Landowner Complaint Number	The date the company was contacted by the landowner.	Project	Details of the specific concerns communicated to the company by the landowner.	The date METC replied to the landowner.	The name and title of the person who responded to the landowner on METC's behalf.	Substantive details about METC's response to the landowner's concerns.	Any action METC took, including the date of such action, in response to the specific concerns raised by the landowner.
Landowner Comment-2025111175915	12/1/2025	Nelson Road to Oneida	Landowner concerned with METC building fencing, access to property in the event of an emergency, and impact of the project on property value.	1/21/26; 2/12/2026; 2/20/2026	Tim Ross, Land Agent	METC discussed fencing concerns with Landowner and informed Landowner that METC does not typically install a fence around the right-of-way or easement area. METC also confirmed that for the Landowner's property, no fence will be installed. METC also provided overview of compensation process to account for potential impacts to property value.	N/A
Landowner Comment-2025112155142	12/2/2025	Nelson Road to Oneida	Landowner concerned about project's proximity to dairy cows and potential stray voltage.	2/7/2026	Jim L, Land Agent	METC mailed damage claim policy handout to Landowner, which summarizes how landowners can make damage claims during and after construction.	METC to follow up with Landowner to discuss concerns related to cattle and stray voltage.
Landowner Comment-2025111116512	12/11/2025	Nelson Road to Oneida	Landowner concerned with soil compaction and impacts to soil, including waste soil from drilling structure footings and soil contamination. Landowner also concern with impacts crop growth.	2/12/2026; 2/23/2026	Tim Ross, Land Agent	METC informed Landowner about the construction process and steps to address soil compaction and erosion issues. METC also discussed ways in which Landowner is compensated for soil compaction, crop damage and related issues.	METC to mail damage claim policy handout to Landowner, which summarizes how landowners can make damage claims during and after construction.
Landowner Comment-20251020131328	11/20/2025	Nelson Road to Oneida	Landowner expressed significant concerns about static electricity from the transmission line over his cattle feedlot decreasing his income. Landowner additionally expressed concerns about soil compaction because the soil is very fine with little variation making it difficult to combat compaction, and he expressed concerns about tile damage because the clay tile is easily crushed.	1/27/2026; UPDATE: 2/10/2026	Mary Forman, Land Agent; UPDATE: Jim L, Land Agent	METC mailed damage claim policy handout to Landowner, which summarizes how landowners can make damage claims during and after construction. UPDATE: METC confirmed Landowner had no further questions about damage claim policy. Landowner executed written agreement.	N/A
Landowner Comment-20251019221049	11/19/2025	Nelson Road to Oneida	Landowner expressed concerns regarding tile damages and soil compaction as the type of soils in the area are fine with little gradation variance making it especially prone to compaction and difficult to loosen.	1/27/2026; UPDATE: 2/11/2026	Mary Forman, Land Agent; UPDATE: Jim L, Land Agent	METC mailed damage claim policy handout to Landowner, which summarizes how landowners can make damage claims during and after construction. UPDATE: METC confirmed Landowner had no further questions about damage claim policy. Landowner executed written agreement.	N/A
Landowner Comment-20251019191919	11/19/2025	Nelson Road to Oneida	Landowner concerned with damage to drain tile. Landowner noted that during an extended drought, a damaged tile may not be revealed until a year of significant rainfall requiring sufficient drainage.	1/27/2026; UPDATE: 1/29/2026, 2/5/2026, 2/11/26, 2/18/2026	Mary Forman, Land Agent; UPDATE: Jim L, Land Agent	METC mailed damage claim policy handout to Landowner, which summarizes how landowners can make damage claims during and after construction. UPDATE: METC confirmed Landowner had no further questions about damage claim policy.	N/A
Landowner Comment-20251019192047	11/19/2025	Nelson Road to Oneida	Landowner expressed a concern that drain tile will be damaged during construction and whether Landowner would be compensated if and when damage occurs.	1/27/2026; UPDATE: 2/10/2026	Mary Forman, Land Agent; UPDATE: Jim L, Land Agent	METC mailed damage claim policy handout to Landowner, which summarizes how landowners can make damage claims during and after construction. UPDATE: METC confirmed Landowner had no further questions about damage claim policy.	N/A
Landowner Comment-2025101921954	11/19/2025	Nelson Road to Oneida	Landowner expressed concerns about tile damage, loss of timber, and loss of milk production due to stray voltage 3,000 feet from milking barns.	1/27/2026; UPDATE: 2/2/2026, 2/3/2026, 2/13/2026	Mary Forman, Land Agent; UPDATE: Jim L, Land Agent	METC mailed damage claim policy handout to Landowner, which summarizes how landowners can make damage claims during and after construction. UPDATE: METC confirmed Landowner had no further questions about damage claim policy.	N/A
Landowner Comment-20251019213911	11/19/2025	Nelson Road to Oneida	Landowners expressed concerns about tile damage and soil compaction.	1/27/2026; UPDATE: 2/23/2026	Mary Forman, Land Agent; UPDATE: Jim L, Land Agent	METC mailed damage claim policy handout to Landowner, which summarizes how landowners can make damage claims during and after construction. UPDATE: METC confirmed Landowner had no further questions about damage claim policy.	N/A
Landowner Comment-20251019214930	11/19/2025	Nelson Road to Oneida	Landowner expressed concerns about damages for trees to be taken and soil compaction.	1/27/2026; UPDATE: 2/4/2026, 2/20/2026	Mary Forman, Land Agent; UPDATE: Jim L, Land Agent	METC mailed damage claim policy handout to Landowner, which summarizes how landowners can make damage claims during and after construction. UPDATE: METC confirmed Landowner had no further questions about damage claim policy.	N/A
Landowner Comment-20251019202622	11/19/2025	Nelson Road to Oneida	Landowner expressed concerns about (i) core borings because ITC has not paid other landowners in the past, (ii) tile damage repairs that may not show up for years after the project is completed, and (iii) the need to destroy the trees recently planted because the trees will never interfere with the lines.	1/27/2026; UPDATE: 2/24/2026	Mary Forman, Land Agent; UPDATE: Jim L, Land Agent	METC mailed damage claim policy handout to Landowner, which summarizes how landowners can make damage claims during and after construction. UPDATE: METC confirmed Landowner had no further questions about damage claim policy. Landowner executed written agreement.	N/A
Landowner Comment-20251019204823	11/19/2025	Nelson Road to Oneida	Landowner expressed concerns regarding drain tile damages and compensation for damages, as well as the period of coverage for repairs into the future.	1/27/2026; UPDATE: 2/20/2026	Mary Forman, Land Agent; UPDATE: Jim L, Land Agent	METC mailed damage claim policy handout to Landowner, which summarizes how landowners can make damage claims during and after construction. UPDATE: METC confirmed Landowner had no further questions about damage claim policy. Landowner executed written agreement.	N/A
