RE: Docket No. U-21393 Capacity Demonstration Letter for Energy International Power

Marketing

Dear Executive Secretary,

Energy International Power Marketing submits this letter to confirm that it does not serve electric load in the State of Michigan. Energy International Power Marketing has not served electricity to any customer in Michigan since the requirements of Michigan Compiled Laws ("MCL") 460.6w came into effect regarding an electrical provider's contractual rights to sufficient capacity to meet its capacity obligations. Energy International Power Marketing has no customers enrolled for electric service, nor is Energy International Power Marketing customers for service in Michigan at this time. Energy International Power Marketing is not serving customers, it has no capacity to report.

Please accept this letter to satisfy the requirement specifying that an entity is not actively serving customers in Michigan and thus is meeting all capacity requirements.

Please contact me if I can be of further assistance.

Respectfully,

Rami Fawaz
