PRESENT: Hon. Daniel C. Scripps, Chair
Hon. Katherine L. Peretick, Commissioner
Hon. Shaquila Myers, Commissioner

ORDER AND NOTICE OF HEARING

On March 5, 2026, the Commission filed a request for rulemaking (RFR) with the Michigan Office of Administrative Hearings and Rules (MOAHR) to re-promulgate rules governing the obligations of providers of basic local exchange service that cease to provide the service, pursuant to the mandates of MCL 484.2202(1)(c)(iv) and MCL 484.2213. These rules already exist as Mich Admin Code, R 484.1001 through 484.1019, but pursuant to MCL 484.2202(2), the rules will automatically cease to have effect on March 21, 2027. The proposed rules primarily re-promulgate existing rules but will also simplify the existing rules to help ensure that both the Commission and affected customers receive adequate notice of an impending discontinuance of service from a wholesale provider and/or a retail provider and that the provider complies with the requirements to discontinue service to its customers under Section 313 of Public Act 179 of 1991, the Michigan Telecommunications Act, MCL 484.2313.

MOAHR approved the RFR on March 10, 2026. MOAHR 2026-19 LR. The Commission subsequently submitted the draft rules to MOAHR, which were approved on May 19, 2026. MOAHR then submitted the draft rules to the Legislative Service Bureau (LSB) for informal approval. On May 27, 2026, LSB approved the draft rules. The Regulatory Impact Statement was approved on May 13, 2026. The Notice of Public Hearing, attached to this order as Exhibit A, was approved by MOAHR on May 27, 2026.

To provide the public with an opportunity to comment on the proposed rules, the Commission has scheduled a public hearing for 10:30 a.m. (Eastern time (ET)) on Wednesday, July 22, 2026, at 7109 W. Saginaw Highway, Lansing, Michigan. The Commission encourages interested persons to become involved and may participate in the proceeding by following the instructions provided in the notice of hearing attached to this order.

In addition, any person may submit written and electronic comments regarding the proposed rules. The comments should reference Case No. U-21958, and must be received no later than 5:00 p.m. (ET) on July 29, 2026. Written comments should be mailed to: Executive Secretary, Michigan Public Service Commission, P.O. Box 30221, Lansing, MI 48909. Electronic comments should be e-mailed to: LARA-MPSC-Edockets@michigan.gov. If any person requires assistance prior to filing, they may contact the Commission Staff at (517) 284-8090 or by e-mail at LARA-MPSC-Edockets@michigan.gov. All information submitted to the Commission in this matter will become public information available on the Commission's E-Dockets website (either under the Filings or Case Comments section), will be subject to disclosure, and will be filed in Case No. U-21958.

THEREFORE, IT IS ORDERED that:

A. A public hearing regarding the re-promulgation of rules governing the responsibilities of providers of basic local exchange service that cease to provide service shall be held at 10:30 a.m. (Eastern time) on July 22, 2026, in the Commission's Lake Michigan conference room located at 7109 W. Saginaw Highway, Lansing, Michigan 48917. A Notice of Public Hearing that includes instructions on attending the public hearing is attached to this order as Exhibit A. A copy of the proposed rulemaking is attached to this order as Exhibit B.

B. The public hearing will be legislative in nature and any person may present data, views, questions, and arguments regarding the issue. Statements may be limited in duration by the presiding officer in order to ensure that all interested persons have an opportunity to participate in the proceedings. If necessary, the proceeding will continue on such dates as the presiding officer may schedule until all interested persons have had a reasonable opportunity to be heard.

C. Any person may file written comments, suggestions, data, views, questions, arguments, and modifications concerning the issue. To be considered, all comments must be received at the Commission no later than 5:00 p.m. (Eastern time) on July 29, 2026, and should be paginated and reference Case No. U-21958.

The Commission reserves jurisdiction and may issue further orders as necessary.

The Department of Licensing and Regulatory Affairs will hold a public hearing to receive public comments on proposed changes to the Responsibilities of Providers of Basic Local Exchange Service that Cease to Provide the Service rule set.

The rules address the responsibilities of providers of basic local exchange service that cease to provide service to any segment of end-users or geographic area; go out of business; or, withdraw from the state, including the transfer of customers to other providers and the reclaiming of unused telephone numbers. Specifically, the rules address the roles and responsibilities of retail and wholesale providers that seek to discontinue service to any type of end user or geographic area, withdraw service from the state, or transfer a customer or customers to another provider of basic local exchange service. The proposed rules primarily re-promulgate, but also simplify the existing rules and will continue to help ensure that both the PSC and affected customers receive adequate notice of an impending discontinuance of service from a wholesale provider and/or a retail provider and to ensure that the retail provider complies with the requirements to discontinue service to its customers under Section 313 of Public Act 179 of 1991, the Michigan Telecommunications Act (MTA), MCL 484.2313.

By authority conferred on the public service commission by sections 202 and 213 of the Michigan telecommunications act, 1991 PA 179, MCL 484.2202 and 484.2213

The proposed rules will take effect 3/21/2027 after filing with the Secretary of State. The proposed rules are published on the State of Michigan's website at <http://www.michigan.gov/ARD> and in the 7/15/2026 issue of the Michigan Register. Rule 16. **(1)** For a discontinuance of basic local exchange service that is subject to federal filing and notice requirements, but not subject to the requirements of section 313 of the act, MCL 484.2313, the provider is encouraged to consult with the commission to determine the most appropriate means of notification to customers and the commission.

(2) If a discontinuance of service to a customer is delayed more than 45 days beyond the disconnection date provided in the notices to the commission and customers under section 313 of the act, MCL 484.2313, the provider shall consider, but is not required, to take additional steps to notify the customer of the delay and provide the customer with an updated discontinuance date.

R 484.1017 **Status and** ~~Completion~~ of discontinuance.

Rule 17. ~~(1) The provider shall provide periodic updates of the status of the discontinuance and transition of its impacted customers as requested by the commission. If technologically feasible, a provider shall consider, but is not required, to implement a soft disconnect to customers for a limited time of not less than 14 days before a complete disconnect. The soft disconnect would allow customers limited access, at a minimum, to 9-1-1 service, and may also allow the customer to dial the number of the provider to receive additional information about the service.~~

(2) The provider shall provide periodic updates of the status of the discontinuance and transition of its impacted customers, including a list of the end users of the provider that are public utilities, governmental agencies, schools, medical facilities, critical 9-1-1 facilities, and interconnecting providers, as requested by the commission staff. The provider is not required to share end user information where prohibited by law or where the end user has requested that the provider not share personal information with another individual or entity.

~~(2)~~ **(3)** The provider shall return all deposits to customers and apply all appropriate credits to customer accounts associated with the discontinued service within 30 days after the discontinuance.

~~(3)~~ **(4)** On completion of the discontinuance of service, the provider shall file a notice in the docket informing the commission of the completion **and that the provider no longer has any remaining customers subject to the discontinuance.**
