PRESENT: Hon. John D. Quackenbush, Chairman
 Hon. Greg R. White, Commissioner
 Hon. Sally A. Talberg, Commissioner

ORDER

The following parties have filed joint applications for approval of interconnection agreements
or amendments to an interconnection agreement:

Case No. U-11962	AT&T Michigan and Global Crossing Local Services, Inc. (f/k/a Global Crossing Telemanagement, Inc.) Application filed December 12, 2014, for approval of a fifth amendment to an interconnection agreement (changes the carrier name from Global Crossing Telemanagement, Inc., to Global Crossing Local Services, Inc.).
Case No. U-16027	Frontier North Inc. and Frontier Midstates Inc., and Telnet Worldwide, Inc. Application filed December 8, 2014, and amended application filed December 17, 2014, for approval of a fifth amendment to an interconnection agreement (implements new reciprocal compensation rates).

47 USC 252(e)(2) and (3) provides in part:

- (2) The State commission may only reject
 - (A) an agreement (or any portion thereof) adopted by negotiation under subsection (a) of this section if it finds that--
 - (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
 - (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity; . . .
- (3) Notwithstanding paragraph (2), but subject to section 253 of this title, nothing in this section shall prohibit a State commission from establishing or enforcing other requirements of State law in its review of an agreement, including requiring compliance with intrastate telecommunications service quality standards or requirements.

After reviewing the applications, the Commission finds that they should be approved. The Commission finds that the agreements and amendments are consistent with federal and state law and are in the public interest. Under 47 USC 252(i) and MCL 484.2359(2), the services provided under the agreements shall be made available to other telecommunications carriers upon the same terms and conditions.

THEREFORE, IT IS ORDERED that:

- A. The interconnection agreements and amendments listed above are approved.
- B. Approval of the interconnection agreements and amendments does not alter the duty of the parties to comply with relevant federal and state law and past and future Commission orders and rules.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party aggrieved by this order may file an action in the appropriate federal District Court under 47 USC 252(e)(6).
