Re: Case No. U-13531, Commission's Own Motion

Dear Concerned Citizen:

This is in response to your recent letter to the Commission wherein you expressed your support for the Commission's own motion to review the costs of telecommunication services provided by Ameritech Michigan. Because the case is now being litigated before the Commission, the Commission cannot by law, respond directly to your comments.

Thank you for your comments. Please be assured that your letter has been placed in our file for this case and is available to the Commission for review.

Sincerely,

Mary Jo Kunkle
Executive Secretary
