Re: Case No. U-14231  
Request for Oral Presentation

Dear Ms. Kunkle:

Energy Michigan will be filing written Comments on the Staff Capacity Need Forum proposal per the January 10, 2006 Order of the Commission in this matter. Since the Commission also indicated that it would have a public hearing to take verbal comments on the proposal, Energy Michigan would like to indicate its desire to make a presentation to the Commission at that meeting. If you require any details or would like to arrange for a specific timeframe please let me know. I plan to attend the entire hearing.

Thank you for your attention to this matter.

Very truly yours,  
Varnum, Riddering, Schmidt & Howlett LLP
