Re: Case Nos. U-14347 and U-14702

Dear Mr. Wiley:

This is in response to your recent letter to Governor Granholm wherein you expressed your concerns regarding Consumers Energy Company's request for authority to increase its rates for the generation and distribution of electricity and other relief, and The Detroit Edison Company's application for authority to implement a power supply cost recovery plan in its rate schedules for 2006 metered jurisdictional sales of electricity. Because these cases are now being litigated before the Commission, the Commission cannot by law, respond directly to your comments.

Thank you for your comments. Please be assured that your letter has been placed in our files for these cases and is available to the Commission for review.

Sincerely,

Mary Jo Kunkle
Executive Secretary
