Case No. U-18008

At the December 22, 2015 meeting of the Michigan Public Service Commission in Lansing, Michigan.

PRESENT: Hon. John D. Quackenbush, Chairman  
Hon. Sally A. Talberg, Commissioner  
Hon. Norman J. Saari, Commissioner

**ORDER**

In each of the above separately captioned proceedings, the Commission granted the named applicant a license to provide basic local exchange service in Michigan pursuant to the licensing provisions set forth in the Michigan Telecommunications Act, 1991 PA 179, MCL 484.2101 *et seq.* Acquisition of a license to provide basic local exchange service carries with it certain responsibilities, including, but not limited to, the duty to “Comply with all federal and state requirements regarding truth in billing, and E 9-1-1 services and basic local exchange services.” MCL 484.2305b. Moreover, providers of basic local exchange service are obligated to obey the lawful orders of the Commission and to respond promptly to reasonable requests from the Commission Staff (Staff).

It has been brought to the Commission’s attention that the providers listed in the case captions of this proceeding have been deficient in attending to the statutory and regulatory responsibilities of licensed basic local exchange service providers. MCL 484.2601(d) authorizes the Commission to revoke a provider’s license to provide basic local exchange service. In Michigan, a formal action to revoke a license must be preceded by an informal notice to the licensee of the intended action and an opportunity for the licensee “to show compliance with all lawful requirements for retention of the license.” MCL 24.292; *Rogers v Cosmetology Board*, 68 Mich App 751; 244 NW2d 20 (1976).

On January 14, 2015, Robin Ancona, Director of the Commission's Telecommunications Division, sent a letter to each of these 19 licensees. The licensees were advised that the purpose of the January 14, 2015 letter was to "ascertain whether [the] company wishes to retain its license" to provide basic local exchange service in Michigan. In each letter, the licensee was notified of past unsuccessful attempts by the Staff to contact the licensee by regular mail, telephone, and e-mail. The letters informed these providers to "respond to this inquiry no later than 45 days from the date of this letter and indicate if the company intends to retain its license and is providing service, or has ceased operations." Finally, each letter notified the licensee that "[i]f no response is received, the Commission will take the necessary steps to commence the process of revoking [its] license."

To date, none of the 19 providers have sufficiently responded to Ms. Ancona's letter seeking to retain its license. The Commission finds that the preliminary steps for license revocations required in MCL 24.292 and *Rogers v Cosmetology Board, supra*, have been completed and that the Commission may now commence formal proceedings to revoke the licenses of the providers listed in the captions of this proceeding. Therefore, the Commission orders each provider listed in the captions of this proceeding that desires to retain its license to provide basic local exchange service to file an intervention in Case No. U-18008 by January 25, 2016, and to appear at the February 10, 2016 joint hearing before Administrative Law Judge Martin D. Snider (ALJ) that will take place at 10:00 a.m. at the Michigan Public Service Commission, 7109 W. Saginaw Hwy., Lansing, MI 48917. The Staff shall also attend the February 10, 2016 hearing.

If a provider does not intervene in the proceeding and/or fails to attend the February 10, 2016 hearing, the ALJ shall, after receipt of testimony and exhibits from the Staff, render a Proposal for Decision (PFD) with regard to the issue of whether that provider's license to provide basic local exchange service should be revoked immediately by the Commission. For any provider that

intervenes in the proceeding and attends the hearing, the ALJ shall treat the hearing as a prehearing conference in a separate complaint case brought in the docket for the provider's license, unless the provider agrees to voluntarily relinquish its license or the Staff requests dismissal of further proceedings against the provider.

All documents filed in this case shall be submitted electronically through the Commission's E-Dockets Website at: [michigan.gov/mpscedockets](http://michigan.gov/mpscedockets). Requirements and instructions for filing can be found in the User Manual on the E-Dockets help page. Documents may also be submitted, in Word or PDF format, as an attachment to an e-mail sent to [mpscedockets@michigan.gov](mailto:mpscedockets@michigan.gov). If the provider requires assistance prior to e-filing, it may contact the Commission Staff at (517) 284-8090 or by email at [mpscedockets@michigan.gov](mailto:mpscedockets@michigan.gov). All information received by the Commission will become public information, posted on the Commission's website, and subject to disclosure.

THEREFORE, IT IS ORDERED that each of the following providers: Affordable Voice Communications, Inc., BT Communications Sales LLC, f/k/a Concert Communications Sales LLC, Call Giant, Inc., f/k/a Bell Connect, Inc., City of Hillsdale Advanced Communications Utility of the Board of Public Utilities, Comnet (USA) LLC, f/k/a CM Tel (USA) LLC, Cost Plus Communications, LLC, Drenthe Telecom LLC, Dynalink Communications, Inc., Ernest Communications, Inc., IBC Telecom Corp, IBFA Acquisition Co. LLC, iNetworks Group, Inc., Infotelecom, LLC, Markur Communications, LLC, MediaGate Communications, Inc., Navigator Telecommunications LLC, Netarx LLC, Primus Telecommunications, Inc., and Waypoint Fiber Networks, LLC, f/k/a Waypoint Telecommunications, LLC, that desires to retain its license to provide basic local exchange service in Michigan shall intervene in Case No. U-18008 no later than January 25, 2016, and appear at the hearing before Administrative Law Judge Martin D.

Snider at the Michigan Public Service Commission, 7109 W. Saginaw Hwy., Lansing, MI, 48917,  
on February 10, 2016, at 10:00 a.m.

The Commission reserves jurisdiction and may issue further orders as necessary.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so by the filing of a claim of appeal in the Michigan Court of Appeals within 30 days of the issuance of this order, under MCL 484.2203(12). To comply with the Michigan Rules of Court's requirement to notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel. Electronic notifications should be sent to the Executive Secretary at [mpscedockets@michigan.gov](mailto:mpscedockets@michigan.gov) and to the Michigan Department of the Attorney General - Public Service Division at [pungpl@michigan.gov](mailto:pungpl@michigan.gov). In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.
