Case No. U-15035

At the July 5, 2007 meeting of the Michigan Public Service Commission in Lansing,  
Michigan.

PRESENT: Hon. J. Peter Lark, Chairman  
Hon. Monica Martinez, Commissioner

**ORDER**

On August 31, 2006, the Commission issued an order commencing this proceeding to examine the total service long run incremental costs (TSLRIC) for Bloomingdale Telephone Company, Chippewa County Telephone Company, Hiawatha Telephone Company, Midway Telephone Company, Ontonagon Telephone Company, and Winn Telephone Company. These incumbent local exchange carriers (ILECs) were directed to file cost studies within 160 days of the commencing order. On February 7, 2007, these ILECs, along with Baraga Telephone Company,

Chapin Telephone Company, Sand Creek Telephone Company, Springport Telephone Company, and Westphalia Telephone Company, filed their cost studies.

Today, the Commission issued an order in Case No. U-14781, in which it examined the cost studies for certain member companies of the Michigan Exchange Carriers Association (MECA) and a separate study for Upper Peninsula Telephone Company (UPTel). The Commission made findings and conclusions with regard to the cost models and inputs used by MECA and UPTel. It appears to the Commission that the ILECs in this proceeding have used the same or similar models as the MECA and UPTel models used in Case No. U-14781. These ILECs may expect similar results upon Commission review. Because significant deficiencies were found in the models used in Case No. U-14781, the Commission issues this order to direct the ILECs in this proceeding to revise their filings to be consistent with the Commission's findings and conclusions in today's order in Case No. U-14781. The Commission urges these ILECs to carefully examine today's order in Case No. U-14781 and file any additions, deletions, or modifications needed to comply with the findings and conclusions of that order. The required filings must be made within 90 days of the date of this order.

The Commission FINDs that:

a. Jurisdiction is pursuant to 1991 PA 179, as amended, MCL 484.2101 *et seq.*; the Communications Act of 1934, as amended by the Telecommunications Act of 1996, 47 USC 151 *et seq.*; 1969 PA 306, as amended, MCL 24.201 *et seq.*; and the Commission's Rules of Practice and Procedure, as amended, 1999 AC, R 460.17101 *et seq.*

b. The ILECs in this proceeding should be directed to file within 90 days of the date of this order any additions, deletions, or modifications to comply with the Commission's July 5, 2007 order in Case No. U-14781.

THEREFORE, IT IS ORDERED that within 90 days of the date of this order, Bloomingdale Telephone Company, Chippewa County Telephone Company, Hiawatha Telephone Company, Midway Telephone Company, Ontonagon Telephone Company, Winn Telephone Company, Baraga Telephone Company, Chapin Telephone Company, Sand Creek Telephone Company, Springport Telephone Company, and Westphalia Telephone Company shall file any additions, deletions, or modifications necessary to bring their cost studies into compliance with the Commission's July 5, 2007 order in Case No. U-14781.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so by the filing of a claim of appeal in the Michigan Court of Appeals within 30 days of the issuance of this order, pursuant to MCL 484.2203(12).
