Re: Verified Complaint of the City of Romulus
MPSC Case No. U-15439

Dear Ms. Kunkle:

I am writing to you on behalf of Comcast of the South, Inc. ("Comcast") in response to your October 24, 2007 letter to Mr Guzall, the Assistant City Attorney for the City of Romulus, which was also carbon copied to Mr. Juan Otero, Regional Vice President of Government Affairs for Comcast.

Comcast welcomes the opportunity to meet informally with the Commission Staff and the City of Romulus in an effort to resolve Romulus' dispute. In doing so, however, Comcast notes that 2006 PA 480 does not provide the Michigan Public Service Commission with the jurisdiction or authority to resolve this dispute, until and unless the Michigan Legislature enacts a dispute resolution process. As a result, Comcast reserves all of its rights including, but not limited to, challenging the Commission's assertion that it has the jurisdiction over this dispute pursuant to Act 480 and the authority to resolve this dispute pursuant to the "Michigan Public Service Commission's Proposed Dispute Resolution Process" submitted to the Michigan Legislature and Governor in May, 2007. Furthermore, even if the Commission were to have the authority to resolve this dispute pursuant to its Proposed Dispute Resolution Process, the City of Romulus has wholly failed to comply with that proposed process.

While Comcast welcomes the opportunity to meet with the Commission Staff and the City of Romulus in an effort to informally resolve Romulus' dispute, Comcast does so with the understanding that this meeting is not being conducted pursuant to or consistent with Act 480 or the Commission's Proposed Dispute Resolution Process. Comcast further fully reserves of all its rights, including but not limited, to challenging the Commission's jurisdiction and authority to resolve this dispute pursuant to either Act 480 or its Proposed Dispute Resolution Process.

If you have any questions or concerns, please do not hesitate to contact me.

Very truly yours,
