At the June 10, 2008 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. Orjiakor N. Isiogu, Chairman
Hon. Monica Martinez, Commissioner
Hon. Steven A. Transeth, Commissioner

OPINION AND ORDER

On December 20, 2007, Governor Jennifer M. Granholm signed 2007 PA 164 and PA 165, the
Emergency 9-1-1 Service Enabling Act (the Act), which amends 1986 PA 32; MCL 484.1101 *et*
seq.

Section 401a(5) of the Act, MCL 484.1401a(5), reads as follows:

(5) The commission in consultation with the committee shall review and may
adjust the state 9-1-1 charge under this section and the distribution percentages
under section 408 to be effective on January 1, 2009 and January 1, 2010. Any
adjustment to the charge by the commission shall be made no later than October 1
of the preceding year and shall be based on the committee's recommendations
under section 412. Any adjustments to the state 9-1-1 charge or distribution
percentages after December 31, 2010 shall be made by the legislature.

The state 9-1-1 charge of \$0.19 per communications device per month will be collected beginning
July 1, 2008, with the first payments due to the Michigan Department of Treasury soon after

October 1, 2008. Section 401a(2), MCL 484.1401a(2), states that the state 9-1-1 charge shall not be more than 25 cents or less than 15 cents.

Section 408, MCL 484.1408, provides the percentage amounts for the disbursement of the state 9-1-1 charge as follows: 82.5% to counties for 9-1-1 services as allowed under the act, 7.75% for local exchange providers for costs related to wireless emergency service, 6.0% for local 9-1-1 centers for basic training of personnel, 1.88% to the Michigan State Police to operate a regional 9-1-1 dispatch center, and 1.87% for the costs to administer the act and maintain the office of the state 9-1-1 coordinator.

Section 412, MCL 484.1412, calls for the Emergency 9-1-1 Service Committee (formerly the Emergency Telephone Services Committee – ETSC) to make a report to the Legislature annually regarding the extent of emergency 9-1-1 service implementation in Michigan, the actual 9-1-1 service costs incurred by public safety answering points (PSAPs) and counties including a detailed record of expenditures, the state 9-1-1 charge required under Section 401a, and any recommendation for changes in the state 9-1-1 charge amount or in the distribution percentages in Section 408.

Although the first quarter of state 9-1-1 charge revenue will be received after the October 1, 2008 deadline for this Commission to act, the Commission issues this order to allow interested parties to comment on the state 9-1-1 charge and the disbursement percentages. Information submitted should be specific, detailed, and may address the following: Should the state 9-1-1 charge be increased or decreased? If so, why, and what factors should affect this change? Should the disbursement percentages be modified; if so, how and why? Is it necessary to change both the state 9-1-1 charge and the disbursement percentages concurrently?

Any person may submit written comments regarding these issues. The comments should reference Case No. U-15552, and must be received no later than 5:00 p.m. on July 3, 2008.

Address mailed comments to: Executive Secretary, Michigan Public Service Commission, P.O. Box 30221, Lansing, MI 48909. Electronic comments may be e-mailed to mpscdockets@michigan.gov, and documents, in Word or PDF format, may be attached to the e-mail. Comments may also be submitted electronically through the Commission's E-Dockets Website at: michigan.gov/mpscdockets. Requirements and instructions for filing can be found in the User Manual on the E-Dockets help page. If you require assistance prior to e-filing, contact Commission staff at (517) 241-6170 or by e-mail at mpscdockets@michigan.gov. All information submitted to the Commission in this matter will become public information available on the Commission's website and subject to disclosure.

THEREFORE, IT IS ORDERED that interested parties may file written comments on issues regarding implementation of the Emergency 9-1-1 Service Enabling Act, specifically on whether to adjust the state 9-1-1 charge under this section and the distribution percentages. These comments should be specific and sufficiently detailed. All comments must be received at the Commission no later than 5:00 p.m. on July 3, 2008, and should reference Case No. U-15552.

The Commission reserves jurisdiction and may issue further orders as necessary.
