RE: Assurance Home Phone Services, Inc. for designation as an eligible telecommunications carrier pursuant to Section 214(e)(2) of the Communications Act of 1934 for its wireless offerings, MPSC Docket No. U-16575

Dear Mr. Birch,

The Michigan Public Service Commission (MPSC) is aware that your company has filed a compliance plan with the Federal Communications Commission (FCC) in order to avail itself of the Lifeline Order's conditional grant of forbearance from the facilities requirements of the federal Telecommunications Act. Please file a letter in the docket U-16575 addressed to Susana Woolcock confirming that this is indeed the case. The letter should include the date when the compliance plan was filed. Please include a copy of the plan, if possible.

The letter should be filed within two weeks, by May 4, 2012. If proper notification is not filed with this Commission by that date, staff may recommend that your application be dismissed. Thank you in advance for your cooperation.

Sincerely,

Susana Woolcock, Manager
Telecommunications Division
