² This Amended Notice hereby incorporates the December 29, 2011 Notice of Discontinuance.

2. Midwestern was authorized as an Eligible Telecommunications Carrier ("ETC") in the State of Michigan on August 3, 2007 in MPSC Case No. U-15311.⁴

3. Midwestern was issued Service Area Code 319016 for its Michigan ETC Lifeline offerings.

4. Pursuant to Section 313 of the MTA, Midwestern files this notice with the Commission to discontinue offering basic local exchange service services and toll services to customers which it serves in the State of Michigan.

8. All notices to customers, including that published in the *The Detroit News* and *The Detroit Free Press* indicated that any person affected by the discontinuance had sixty (60) days of the publication of the notice to apply to the Commission to determine if this discontinuance of service is authorized pursuant to the MTA.

9. As required by Section 313(1) of the MTA, Midwestern “shall not discontinue . . . service to an exchange unless . . . 2 or more alternative providers for basic local exchange service, are furnishing a comparable voice service to the customers in the exchange” in which Midwestern is currently providing services. “A comparable voice service includes any 2-way voice service offered through any form of technology that is capable of placing and receiving calls from a provider of basic local exchange service, including voice over internet protocol services and wireless services.” Midwestern is licensed throughout the AT&T Michigan, Frontier North Inc., and Frontier Midstates Inc. incumbent territories.
