## ERRATA

On March 15, 2013, the Commission issued an order in these cases directing each listed utility to file its energy optimization (EO) plan, annual report, and reconciliation application, where applicable, in the appropriate docket number on or by the date listed on Attachment A. The Commission notes that Attachment A incorrectly states that Cloverland Electric Cooperative, Midwest Energy Cooperative and Thumb Electric Cooperative are required to file their EO annual reports and reconciliations on April 30; Alger-Delta Co-operative Electric Association, Great Lakes Energy Cooperative, Ontonagon County Rural Electrification Association, Presque Isle Electric and Gas Co-op, and Tri-County Electric Cooperative are required to file their EO annual reports on April 30; and the City of Escanaba, Marquette Board of Light & Power, Newberry Water and Light Board, and the City of Stephenson are required to file their EO annual reports on May 31. However, the correct due date for these utilities to file their EO annual reports and reconciliations, where applicable, is June 30.

Consumers Energy Company (Consumers) shall file its electric and gas reconciliations and annual reports in Case No. U-17281 on May 31. In addition, Consumers shall file one EO biennial plan for electric and gas in Case No. U-17351 on August 1.

A corrected Attachment A is attached to this errata.
