- The information below describes how a person may participate in this case.
- You may call or write DTE Gas Company, One Energy Plaza, 688 WCB, Detroit, Michigan 48226-1279, (800) 477-4747, for a free copy of its application. Any person may review the application at the offices of DTE Gas Company.
- A public hearing will be held:

DATE/TIME: **Tuesday, February 14, 2017, at 9:00 a.m.**
This hearing will be a prehearing conference to set future hearing dates and decide other procedural matters.

BEFORE: Administrative Law Judge **Sharon Feldman**

LOCATION: Michigan Public Service Commission
7109 West Saginaw Highway
Lansing, Michigan

PARTICIPATION: Any interested person may attend and participate. The hearing site is accessible, including handicapped parking. Persons needing any accommodation to participate should contact the Commission's Executive Secretary at (517) 284-8090 in advance to request mobility, visual, hearing or other assistance.

The Michigan Public Service Commission (Commission) will hold a public hearing to consider DTE Gas Company's (DTE Gas) December 29, 2016 application requesting the following 1) approval of a maximum base gas cost recovery factor of \$3.16 per Mcf that can be adjusted to a new maximum GCR rate by the monthly NYMEX-based contingency factor matrix, to be reflected in DTE Gas's monthly gas customer billings beginning April 1, 2017, and continuing through March 31, 2018, and approval of a SOLR Reservation Charge of an additional \$0.34 per Mcf that is billed to GCR customers while the Reservation Charge billed to

GCC customers will be \$0.22 per Mcf; 2) find that DTE Gas's 5-Year (April 2017-March 2023) Forecast of Gas Requirements, Supplies and Costs, and Gas Supply Plan does not include any cost items that the Commission would be unlikely to permit DTE Gas to recover in the future; 3) approval of DTE Gas's request for Commission review and approval for 75 Mdt/d of existing transportation capacity being replaced by 75 MDth/d of NEXUS pipeline transportation capacity beginning in 2017 as reflected in the testimony of R.G. Lawshe and M.D. Sloan; and 4) additional relief.

All documents filed in this case shall be submitted electronically through the Commission's E-Dockets website at: michigan.gov/mpscedockets.
