**NOTICE OF OPPORTUNITY TO COMMENT**

On July 31, 2017, the Commission issued an order (July 31 order) initiating Case No. U-18418 on its own motion to implement provisions of Section 6t(1) of 2016 PA 341, MCL 460.6t. Section 6t(1) instructs the Commission to commence a proceeding to establish parameters related to the statewide integrated resource planning (IRP) process. Working with various stakeholders, the Commission Staff (Staff) authored its "Draft Integrated Resource Planning Parameters" (Strawman Proposal). With its July 31 order, the Commission required the Staff to file a final version of the Strawman Proposal in the docket by August 31, 2017. The July 31 order also provided for comments related to the Strawman Proposal to be filed by interested persons by October 6, 2017, and reply comments by October 20, 2017.

As part of the IRP planning process, Section 6t(1) requires the Commission to "[c]onduct an assessment for the use of demand response programs in this state, based on what is economically and technologically feasible, as well as what is reasonably achievable." MCL 460.6t(1)(b). On August 31, 2017, the date the Staff filed its final version of the Strawman Proposal, the Michigan Demand Response Potential Study (DR Study) had not been completed. On October 2, 2017, the DR Study was filed in this docket.

The Commission would like to provide interested persons an opportunity to comment on the DR Study as it relates to the Strawman Proposal. This opportunity does not extend the original dates for comments provided in the July 31 order. However, any interested person may submit separate written or electronic comments and reply comments addressing only the DR Study and its relation to the Strawman Proposal. Initial comments must be filed with the Commission and must be received no later than 5:00 p.m. October 13, 2017. Reply comments must be received no later than 5:00 p.m. October 27, 2017. Written comments should be sent to: Executive Secretary, Michigan Public Service Commission, P.O. Box 30221, Lansing, MI 48909. Electronic comments may be e-mailed to [mpscedockets@michigan.gov](mailto:mpscedockets@michigan.gov). Comments should reference Case No. U-18418. All information submitted to the Commission in this matter will become public information available on the Commission's website and subject to disclosure.
