Lesley Miller, [REDACTED] Applegate, MI, 48401

12/31/2019

Dear Michigan Public Service Commissioners,

I urge you to reject DTE's Integrated Resources Plan, Docket U-20471.

DTE's long-term energy plan would keep coal burning until 2040 and increase amounts of gas for decades to come. DTE wants to extend the lif

Please think about Recycling as a way to power up our utilities. Please stop depleting nonrenewable resources. We owe our children a gift of unpolluted water and air.

Donald Patterson, [REDACTED], Detroit, MI, 48221

1/4/2020

Dear Michigan Public Service Commissioners,

I urge you to reject DTE's Integrated Resources Plan, Docket U-20471.

DTE's long-term energy plan would keep coal burning until 2040 and increase amounts of gas for decades to come. DTE wants to extend the lif

As a nurse, I see how our energy plans affect the health of our communities. Please consider the health & wellbeing of children in this and future generations and reject this plan. We can do better.

Megan Czerwinski, [REDACTED], Plymouth, MI, 48170

1/7/2020

Dear Michigan Public Service Commissioners,

I urge you to reject DTE's Integrated Resources Plan, Docket U-20471.

DTE's long-term energy plan would keep coal burning until 2040 and increase amounts of gas for decades to come. DTE wants to extend the lif

In Michigan, utility monopolies have become dysfunctional. Example, DTE stands in the way of community green grids.

Lisa Patrell, [REDACTED], Ann Arbor, MI, 48103

1/7/2020

Dear Michigan Public Service Commissioners,

I urge you to reject DTE's Integrated Resources Plan, Docket U-20471.

DTE's long-term energy plan would keep coal burning until 2040 and increase amounts of gas for decades to come. DTE wants to extend the lif

Mark Poletti, [REDACTED], Muskegon, MI, 49441

1/7/2020

Dear Michigan Public Service Commissioners,

I urge you to reject DTE's Integrated Resources Plan, Docket U-20471.

Theresa Landrum, [REDACTED] Detroit, MI, 48217

1/7/2020

Dear Michigan Public Service Commissioners,

I urge you to reject DTE's Integrated Resources Plan, Docket U-20471.

DTE's long-term energy plan would keep coal burning until 2040 and increase amounts of gas for decades to come. DTE wants to extend the lif

Our children deserve better, they are counting on DTE to be a change agent regarding our climate, let's not disappoint them.

Lee Anzicek, [REDACTED], Brighton, MI, 48114

1/7/2020

Dear Michigan Public Service Commissioners,

I urge you to reject DTE's Integrated Resources Plan, Docket U-20471.

DTE's long-term energy plan would keep coal burning until 2040 and increase amounts of gas for decades to come. DTE wants to extend the lif

DTE is not interested in providing clean energy. Rather, their main interest is to make profit. We must protect our environment by quitting the use of any form of dirty fossil fuel and concentrate, with a concerted effort, on renewable energy.

Ron Kardos, [REDACTED], Fenton, MI, 48430

1/8/2020

Dear Michigan Public Service Commissioners,

I urge you to reject DTE's Integrated Resources Plan, Docket U-20471.

DTE's long-term energy plan would keep coal burning until 2040 and increase amounts of gas for decades to come. DTE wants to extend the lif

Let's protect the Earth. It is our home and our legacy to future generations.

Joyce Grimm, [REDACTED], Macomb, MI, 48042

1/8/2020

Dear Michigan Public Service Commissioners,

I urge you to reject DTE's Integrated Resources Plan, Docket U-20471.

DTE's long-term energy plan would keep coal burning until 2040 and increase amounts of gas for decades to come. DTE wants to extend the lif

DTE should lead, not lag in renewable energy. Furthermore, DTE should not be awarded special status to raise rates for customers, while it stands in the way of moving away from fossil fuels.

Rita Mitchell, [REDACTED], Ann Arbor, MI, 48103

1/8/2020

Dear Michigan Public Service Commissioners,

I urge you to reject DTE's Integrated Resources Plan, Docket U-20471.

DTE's long-term energy plan would keep coal burning until 2040 and increase amounts of gas for decades to come. DTE wants to extend the lif

As a young person with deep roots in this city, those roots are vulnerable to being disrupted by the cumulative health impacts of living so close to Michigan's most polluted zip code. My most intimate friends and mentors and I breathe some of the worst ai

Valeriya Epshteyn, [REDACTED], Detroit, MI, 48238

DTE's long-term energy plan would keep coal burning until 2040 and increase amounts of gas for decades to come. DTE wants to extend the lif

Clean water

Is our life

Literally

We exist because our planet has livable water

Don't mess it up

Bethanni Grecynski, [REDACTED] Ann Arbor, MI, 48105
