Re: American Broadband & Telecommunications Supplemental
response Study Area Code 319032 & 319022 (Michigan): Case
No.-18216

To Whom It May Concern:

Please accept this letter as American Broadband & Telecommunications supplemental response to the company's FCC Form 481 filing pursuant to 4 CSR 240-31.130(3).

On behalf of American Broadband and Telecommunications Company ("American Broadband"), enclosed for filing with the Michigan Public Service Commission's ("PSC" or "Commission") is a copy of the Company's FCC Form 481 for Study Area Codes ("SAC") 319032 and 319022.

American Broadband is a Lifeline-only Eligible Telecommunications Carrier ("ETC") and has only been designated by state commissions. American Broadband has not been designated by the Federal Communications Commission as an ETC in any state. Pursuant to 47 C.F.R. § 54.422(a), a state-designated ETC is required to report only (i) its operating companies and affiliates and (ii) its terms and conditions for Lifeline program consumers. In accordance with that rule, American Broadband completed only Section 800 and Section 1200 for its federal filing. American Broadband also provides the Commission with the following information:

Also pursuant to the Commission's Minute Action of June 15, 2017, please see the attached map of American Broadband & Telecommunications approved service area.

In compliance with FCC and Michigan Commission ETC annual reporting requirements, American Broadband & Telecommunications is required to file a copy of the FCC Annual Report (Form 481) pertaining to Michigan operations with the Michigan Commission. Please be advised that American Broadband & Telecommunications did not have any unfulfilled service requests or outages during the reporting year and did not have any complaints.
