Case No. U-20892

At the March 4, 2021 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. Daniel C. Scripps, Chair
Hon. Tremaine L. Phillips, Commissioner
Hon. Katherine L. Peretick, Commissioner

ORDER REVOKING LICENSES

In each of the above separately captioned proceedings, the Commission granted the named
applicant a license to provide basic local exchange service in Michigan pursuant to the licensing
provisions set forth in Public Act 179 of 1991, the Michigan Telecommunications Act,

MCL 484.2101 *et seq.* Acquisition of a license to provide basic local exchange service carries with it certain responsibilities, including, but not limited to, the duty to “Comply with all federal and state requirements regarding truth in billing, E 9-1-1 services, and basic local exchange service.” MCL 484.2305b(c). Moreover, providers of basic local exchange service are obligated to obey the lawful orders of the Commission and to respond promptly to reasonable requests from the Commission Staff (Staff).

The providers listed in the case captions of this proceeding have been deficient in attending to the statutory and regulatory responsibilities of licensed basic local exchange service providers. MCL 484.2601(d) authorizes the Commission to revoke a provider’s license to provide basic local exchange service. In Michigan, a formal action to revoke a license must be preceded by an informal notice to the licensee of the intended action and an opportunity for the licensee “to show compliance with all lawful requirements for retention of the license.” MCL 24.292(1); *Rogers v Cosmetology Board*, 68 Mich App 751; 244 NW2d 20 (1976).

On October 7, 2019, Robin Ancona, then Director of the Commission’s Telecommunications Division, sent a letter (October 7 letter) to each of these nine licensees. The licensees were advised that the purpose of the October 7 letter was to “ascertain whether [the] company wishes to retain [its] license” to provide basic local exchange service in Michigan. In each letter, the licensee was notified of past unsuccessful attempts by the Staff to contact the licensee by regular mail, telephone, or e-mail. The letters informed these providers to “respond to this inquiry no later than 30 days from the date of this letter and indicate if the company wishes to retain its license and is providing service and intends to come into compliance with its regulatory requirements, or has ceased operations.” Finally, each letter notified the licensee that “[i]f no response is received, the Commission will take the necessary steps to commence the process of revoking [its] license.”

Finding that the preliminary steps for license revocations required by MCL 24.292 and *Rogers v Cosmetology Board, supra*, had been completed, the Commission issued an order on September 24, 2020, commencing formal proceedings to revoke the licenses of the providers listed in the captions of this proceeding (September 24 order). In the September 24 order, the Commission directed each listed provider that wished to retain its license to provide basic local exchange service to file an intervention in Case No. U-20892 by October 26, 2020, and to appear at the November 17, 2020 joint hearing before Administrative Law Judge Kandra K. Robbins.¹ In the September 24 order, the Commission further warned the listed providers that, if they failed to intervene and/or attend the hearing, then the ALJ would, after receipt of testimony and exhibits from the Staff, render a Proposal for Decision (PFD) with regard to the issue of whether each absent provider's license to provide basic local exchange service should be revoked immediately by the Commission.

A hearing was held on November 17, 2020, via tele/video conference due to COVID-19 restrictions. Air Advantage, LLC (Air Advantage) was the sole listed provider to attend the proceeding and, pursuant to the September 24 order, further proceedings were scheduled to address the potential revocation of Air Advantage's license. The Staff's testimony and exhibits were received into evidence. The Staff's evidence demonstrated that eight of the listed providers (all but Air Advantage) are not providing basic local exchange service and/or no longer possess sufficient technical, financial, and managerial resources and abilities to provide basic local exchange service within Michigan. *See*, MCL 484.2302(1)(a); Case No. U-20892, filing #U-20892-0013, 1 Tr 7-19.

¹ The case was reassigned to Administrative Law Judge Sally L. Wallace (ALJ) prior to the date of the hearing.

On December 21, 2020, the ALJ issued a PFD recommending that the Commission revoke the licenses to provide basic local exchange service held by the listed providers, except Air Advantage. Exceptions were due January 11, 2021. Replies to exceptions were due January 25, 2021.

On January 11, 2021, the Staff timely filed exceptions to the PFD, stating that the ALJ erred when she said that providers must follow federal and state requirements to discontinue service or to transfer customers to other providers *after* their licenses are revoked. The Staff asserts that providers must do so *before* their licenses are revoked. *See*, Staff’s exceptions, pp. 1-2; *see also*, PFD, p. 6. Additionally, the Staff clarified that the following sentence should be deleted from the PFD, p. 10, section G:

Exhibit S-2 states that IQ [Telecom, Inc.] failed to submit its PUA form for 2018 or 2019; it failed to respond to the order on ARM or the Staff’s inquiry on lifeline services, and it failed to follow the notice requirement for provider-to-provider disconnection set forth in Mich Admin Code, R 484.1005(4) (Rule 5(4)).

The Staff asserts that the portion of Exhibit S-2 attributed to IQ Telecom, Inc., applies to Lucre, Inc.² *See*, Staff’s exceptions, p. 3. The Staff did not except to the ALJ’s recommendation that the licenses of the companies be revoked.³

² The ALJ also indicated that Exhibit S-2 states that IQ Telecom, Inc.’s business license was revoked in 2013 and that the company reported to the Staff that it was no longer in business; however, the company failed to follow appropriate procedures to surrender its license. PFD, p. 10.

³ On December 7, 2020, Huron Mountain Communications Co. (Huron Mountain) filed a letter indicating that it desired to voluntarily surrender its license to provide basic local exchange service. On January 4, 2021, Huron Mountain filed an amended letter stating that it “has not provided, and does not currently provide, basic local exchange service in the State of Michigan and has no customers for such service.” Huron Mountain’s amended letter, January 4, 2021, filing #U-15548-0021. On January 21, 2021, in Case No. U-15548, the Commission issued an order approving Huron Mountain’s license surrender.

No party filed exceptions to the PFD or replies to exceptions. The Staff's exceptions pertained to matters of accuracy of the record and not to the ALJ's recommendation that the remaining seven companies' licenses be revoked. Accordingly, the ALJ's recommendations are unopposed by any party to the proceeding. The Commission finds the ALJ's decision and the Staff's exceptions to be well-reasoned and supported in the record. Further, the Commission agrees that revocation of the licenses to provide basic local exchange service of the seven providers discussed above is warranted pursuant to MCL 484.2101 *et seq.*

Therefore, the Commission adopts the PFD, as well as the Staff's exceptions, and finds that AirNorth Communications, Inc.; CMC Telecom, Inc.; Global Communications Network, Inc., f/k/a Castle Wire, Inc., f/k/a Business Communications Analysts, Inc.; IQ Telecom, Inc.; Lucre, Inc.; Michigan Access, Inc.; and Rockford Telephone Company, Inc., failed to meet the statutory and regulatory responsibilities of providers of basic local exchange service, and the license of each listed provider is hereby revoked.

THEREFORE, IT IS ORDERED that:

A. The license to provide basic local exchange service for each of the following providers is revoked: AirNorth Communications, Inc.; CMC Telecom, Inc.; Global Communications Network, Inc., f/k/a Castle Wire, Inc., f/k/a Business Communications Analysts, Inc.; IQ Telecom, Inc.; Lucre, Inc.; Michigan Access, Inc.; and Rockford Telephone Company, Inc.

B. The Commission Staff shall work with the North American Numbering Plan Administrator to ensure that numbers currently assigned to the listed providers, if any, are properly reclaimed.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so by the filing of a claim of appeal in the Michigan Court of Appeals within 30 days of the issuance of this order, under MCL 484.2203(12). To comply with the Michigan Rules of Court's requirement to notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel. Electronic notifications should be sent to the Executive Secretary at mpscedockets@michigan.gov and to the Michigan Department of the Attorney General - Public Service Division at pungpl@michigan.gov. In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.
